- 10:00 p.m. May Day Pictures - Men's Gymnasium

Sunday, October 26

- Sunday Noon Beta Gamma Upsilon - Banquet - Fraternity House

THE FALCONIAN

Volume XII

Number 2

Published by the Physical Education Department of Bowling Green State University. Made possible by the cooperation of the Bowling Green Chamber of Commerce members.

Distribution by the Bowling Green State University Varsity Club.

Represented for National Advertising by DON SPENCER COMPANY, INC., 271 Madison Ave., New York City.

F. J. PROUT

WELCOME

Today we welcome the Alumni again and note with pleasure the growing enthusiasm and devotion of this fine group. We need their active support and appreciate the ever increasing pride that they show in the development of the institution. Please be happy with us this day and return to us as often as possible.

F. J. Prout, President

NEXT HOME GAME

The next home game will be played against one of Bowling Green's oldest rivals, Findlay college, on November 15. No other rival on the present schedule has played B.G. in so many games and naturally, being such close neighbors, the two schools are spirited rivals. Alumni, who remember some of those early contests need not be told about it. They know that a good game is in prospect.

ALUMNI STRENGTH GROWS

The development of the Bowling Green State University Alumni Association is becoming more noticeable now than ever before under the capable leadership of President C. D. Fox, of Van Wert.

Mr. Fox, a former varsity man, has already become a strong alumni leader and under his capable administration last year the County Unit dinners were again held, a start was made in the publication of an alumni magazine and plans for further progress have been launched in those and other directions.

Last spring the first Bowling Green University graduate, Minor Kirschner, of Liberty Center, was appointed to the Board of Trustees by Governor John W. Bricker.

An alumnus, I. William Miller, of Sylvania, this weekend, presided as the president of the Northwestern Ohio Teachers Association and other members of the alumni association have made fine progress in their respective fields.

It is with the knowledge that the future of the University can be made more successful through the active and inspired help of an energetic and resolute alumni that the officers under Mr. Fox are continuing their work.

Today they call attention of the friends of the institution to the scores of young Bowling Green graduates who have dropped their chosen work temporarily to enter the ranks of Uncle Sam's army to strengthen the defense of America. Those soldiers are not here in person today but we have no doubt but that they are here in spirit.

MEN'S PHYSICAL EDUCATION STAFF

Standing left to right—W. E. Steller, Director of Men's Physical Education and coach of varsity baseball. Harry Ockerman, Head of the Health and Physical Education Department and Athletic Director. Joseph Glander, trainer, cross country and wrestling coach.

Sitting—Fred Marsh, Coach of Freshman athletics. M. Budd Cox, Coach of varsity swimming and assistant football coach. Robert H. Whittaker, Head football and track coach. Paul E. Landis, Varsity basketball and golf coach and Director of intramural sports.

TODAY'S FOOTBALL CLASSIC

As the feature of her 20th annual Homecoming the Bowling Green gridders face an undefeated football team from Heidelberg college at Tiffin. The Student Princes lead the Ohio Conference with four victories. To date they have won from Otter-

bein and Kenyon by scores of 13 to 0, from Capital by the count of 19 to 13 and from Ashland 37 to 0.

Though defeated, the Falcons have possibly faced tougher opposition and there is really no method of comparing them. Bee Gee opened with a 14-14 tie with Wooster. The next Friday our athletes slushed through Akron's burning lime and lost 8 to 0. A great 9 to 0 triumph was then registered by B.G. in her first grid visit to the campus of Miami and last week they traveled to the campus formerly trod by Ockerman and Muellich, Michigan Normal, to win 20 to 6.

Sports observers point to today's game as the biggest feature of the Ohio Conference this week. It should be a thriller and may the best team win.

Next Saturday, Nov. 1st, the Bee Gees travel to Kent to face an old rival. Then they go to Wittenberg for what should be a great game on Nov. 8th. On Nov. 15th Findlay comes to Bowling Green for a traditional game and the season closes with the first Thanksgiving Day game on the local campus, with Wayne University of Detroit, our guests.

Past B.G.—Heidelberg scores:

1920	B.G.	0	Heidelberg	14
1923	B.G.	12	Heidelberg	13
1936	B.G.	0	Heidelberg	0
1937	B.G.	12	Heidelberg	0

GEORGE MUELLICH

George Muellich—A graduate of Michigan State Normal, is new to Bowling Green this year. He is an assistant football coach.

Department of Health and Physical Education

PROF. HARRY OCKERMAN

The Department of Health and Physical Education extends a hearty welcome to you, the alumni of Bowling Green State University at this Homecoming. We invite you to inspect our facilities and meet our staff during your stay in Bowling Green.

We are taking this opportunity to acquaint the Alumni with some of the activities and new facilities that may have been added to the program since your graduation.

Our Health Service under the direction of Dr. W. H. Brown will move into the new health building located directly back of the student union building at the beginning of the second semester. The new building will include facilities for major and minor surgery, clinics, and a thirty-room infirmary. This will enable Dr. Brown and his staff to fulfill the needs of the students with the most modern methods available.

With the increase in field space and buildings, the program has been increased to include separate activities for men and women, coeducational activities, and student-faculty participation in intramural sports and recreation.

The Rifle Club under the direction of Mr. James Reid, a former member of the University of Pennsylvania rifle team, is functioning as a member of the National Rifle Association, and it is open to students and faculty alike. The Rifle Range is located in the basement of the Practical Arts Building and is open for inspection.

The Hedden School of Riding under the direction of Mr. and Mrs. H. G. Hedden has proven quite popular with the students and faculty and in competition with other Ohio colleges, our riders have been outstanding.

The Women's Athletic Association under the guidance of Miss Eppler, Miss Shaw, and Miss Hartman has been one of the most active organizations on the campus. In competition with other

colleges at Cincinnati last year, our teams won more events than any other college in Ohio. The Archery Club, under Miss Shaw's guidance, has placed high in the standing of the National Telegraphic Meet for the last five years. Many other clubs have become a vital part of the social and recreational activities on the campus each year.

Our intercollegiate athletic program has grown to include baseball, track, cross country, football, golf, swimming, tennis, track, and wrestling. We invite you to observe our football team in competition with Heidelberg College on this occasion and we are sure you will agree that progress has been made in all our endeavors from year to year regardless of the outcome in any athletic contests. We want alumni to feel that the teams are well coached and that they bring credit to Bowling Green State University and its alumni.

A new baseball field that has been in use for one year is directly east of the track and football field and additional fields are under construction at the present time.

The maintenance of our buildings and grounds of our Department is very ably taken care of under the direction of Mr. Sautter. Our staff wishes to commend him for an excellent job.

To the alumni of Bowling Green State University, we owe a vote of thanks for the excellent cooperation we have received in the past and we sincerely ask for your suggestions as to ways and means of making this department serve you to advantage, individually and as a group in the future.

The members of our staff wish that you may enjoy and benefit from this Homecoming and enjoy your visit as much as we enjoy having you as our guests on this and every other occasion you have to visit this campus.

Harry Ockerman
Director of Health and
Physical Education

CROSS COUNTRY

Coach Joe Glander's team is racing today in a dual meet at Oberlin after having lost the first two meets to the powerful Miami and Michigan Normal teams. The Falcons go to Kent next week and are slated for a trip to the Ohio Conference meet next month at Oberlin. A most promising Frosh squad indicates that a stronger team will be coming along in another year.

OTHER SCHEDULES

The schedules in track, baseball, golf and tennis are not ready for publication but more extensive activity in each of these is planned in the coming year. The tennis squad is coached by Prof. Morris Hendrickson, a member of the math. department.

GET IN THERE, AND...

enjoy your trip!

● Get off that bench and go places! There's no substitute for Greyhound Super-Coaches — and no travel cost quite so low! You won't need first aid for your pocketbook, because Greyhound's fares are less than one-third the cost of driving. On short trips or long ones, home or to the next big game, take a tip from the winning teams — go Greyhound and save!

Visit or phone your nearest Greyhound Terminal for complete travel information.

New Union Building Dedication

As a feature of Homecoming, brief dedicatory services are scheduled to be held Saturday morning at the new student union building, the second structure completed this fall at Bowling Green State University. Early in the week 55 women students moved into Skol sorority house, "twin" of the colonial building erected nearby a year ago for the Five Sister sorority.

The student union building, nicknamed the Falcon's Nest in a campus election last spring, is a cabin-like structure next to Williams Hall and across the street from the Science building. Part of the money used to finance it came from "surplus"

student activity fee money accumulated during the past 16 years.

Included in the new building are rooms for group meetings and a faculty club and the main room, which contains an enormous fireplace, booths along the walls, dancing space, and a soda fountain. On the second floor are apartments for Mr. and Mrs. Don Patterson, who are in charge of the building, and the six student employees.

Erection of a 40-bed Health Service Building is under way back of Shatzel Hall.

Construction is scheduled to start soon on two sorority houses, each to accommodate 22 students.

PLAYING IT SAFE

"With the ball inside your own thirty yard line, kick on third down."

This is one of the sound principles of football strategy. It doesn't pay to take the unnecessary chance of a fumble or a blocked kick, deep in your own territory.

When you look for a bank to entrust with your money, you want an institution that is run on sound principles of banking practice that have been established over the years.

You want a bank that will be safe, not spectacular.

Our steadfast devotion to these principles of sound banking practice is responsible for the complete confidence which the community places in us. It has made possible our contribution to its growth and development.
